

Critical Result and Lung Nodule Tracking

Open the Epic window by clicking the Epic tab in the Toolbar: ↓

Click the "Follow Up" button: ↓

Click the "Lung Nodule" button (or "Critical" for other Critical Result): ↓

Then click "Save": ↓

If the report has been finalized, "Follow Up" button will not work, but clicking "Result Tracking" will:

Pulmonary Nodules: Any time Fleischner Criteria are used, solid or subsolid
Incidental nodules
When in doubt
